Dear Mr. Sickel:

On September 13, 2002, the Department of Environmental Services, Waste Management Division (DES) conducted an inspection of Grand Rental Station. The purpose of the inspection was to determine Grand Rental Station's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Grand Rental Station was issued Letter of Deficiency No. WMD 02-45 (LOD). Based upon a review of Grand Rental Station's submittal received on December 9, 2002, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Grand Rental Station's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Jessica Cajigas or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,

Kenneth W. Marschner, Administrator
